

DE BAANDERIJ - AID & RELIEF *Just in Time!*

Landcruisers

Again DB supplied some brand new Toyota Landcruisers for Norwegian Peoples Aid project in South Sudan. With availability ex-stock, very short modification times and delivery at place within only 30 days was the final result of the international tender. Besides vehicles and trucks of all makes, DB also supplies spare parts around the globe and offers worldwide training. Feel free to [contact](#) for your procurement and we're glad to serve you.

Prepositioning

After two years of civil war in Syria over a million people fled their homes heading to a desperate future in one of the many refugee camps. The Austrian Red Cross asked DB to provide another 2000 blankets for a camp near the Jordanian border. This time the air charter went from Wien and within 24 hours the goods were delivered just in time. Need for emergency stock or logistic solutions? [We are ready to support you 24/7: +31 628613170.](#)

Catalog

DB launches new online catalog and includes several suppliers under one umbrella named www.148.nl. This international name is mainly used for procurement to make life easier. Just ask One for Aid and you'll find out the difference in price, service and unique turn key solutions - no need to waste time comparing prices as DB supplies at not-for-profit rates. Just in time, anytime.
