### Stock sales: DAF 1800 TURBO 4x4 ex-army trucks

Again DB supplied several extremely strong DAF 4x4 trucks. Ideal for use in areas with poor infrastructure, the all wheel drive and solid construction pulls it through everything. Furthermore, the DAF YA4440 has no complicated electronics on board, which makes maintenance significantly easier in certain countries. Thanks to our stock, large volumes can be delivered in a very short time. Spare parts are no problem even after years. Don't hesitate to ask DB!
